## Living Hope

Ideas for using the Bible reading plan:

Reading God's Word is one of the most stimulating and enriching steps you can take toward spiritual growth. Here are some ideas for getting the most from your Bible reading.

+ Use a good Study Bible for your Bible reading. We recommend the NIV Study Bible (Zondervan).

+ Try to find a quiet place and time that will work for you on most days.

+ Be as consistent as possible. You will find that missing one day will make it even easier to miss the next.

+ Before each day's reading, spend a short time in prayer asking God to speak to you through His Word.

+ Use a journal to keep a record of your reading progress and daily applications. On each page of your journal, write out:

- **Date & Scripture Passage for the day**
- **Focus Verse** (write it out word for word)
- **Insight** (the truth you see in that verse)
- **Active Response** (an action related to the insight)

+ The "**Focus Verse**" should be one that presents a truth with special relevance or significance to you.

+ The "**Insight**" should be your own explanation of how you see the truth of the "Focus Verse" relating or speaking to your life.

+ The "**Active Response**" should be an action statement that relates to your "Insight." If you believe the truth of your insight, what specific action will you take? Is there a specific context for this action? Here are some examples of ways to begin your "Active Response":

- "Tonight when I am with my friends, I will..."
- "Yesterday at work I needed to..."
- "When I am afraid and stressed out, I will..."
- "Dear Lord, I need your help and grace to..."
- "Instead of \_\_\_\_\_, I should..."

+ Talk to someone about what you have read and what it means to you.

+ Don't let hard-to-understand things distract you from the things that you can clearly understand. Act on what you understand, and ask questions about what you don't.
