

Abound: Philippians 1.9-11
[Going Deeper]

Read John 3.16

How would you describe the kind of love that Jesus is talking about in that verse?

What would it look like for you to continually experience that love?

What would it look like for you to live that kind of love?

Read Philippians 1.9 and John 10.10

The words "abound" and "full" are the same word in the original Greek [perissos], which means overflow, over abundance, to have more than enough.

According to these verses, what kinds of lives do you think God desires for us to live?

What might be hindering that kind of life in you?

Describe some ways you have moved from head knowledge to experiential knowledge.

What impact did those experiences have on your heart?

Read Jeremiah 29.11-14 and Romans 12.1-2

What things are you experiencing where you need to know the next right thing to do?

Think about some times where you experienced God's voice or leading.

Read and rewrite Psalm 121 as your own prayer
