Going Deeper—Living it Out

Review Paul's situation.
What is he experiencing?
How would you be affected
by those things?

What kind of deliverance do
we usually look for in
difficult situations?

How is that different from
the deliverance that Paul
and Job were looking for?

Describe how we are
tempted to respond when
we face difficult and
unexpected circumstances.
Why do we respond in those
ways?

Do our normal reactions
tend to improve our
situation? Explain.

Why is it important for Paul
to have a clean conscience
as he goes through these
circumstances?

[big questions]

In what ways do you generally
seek deliverance?

What kind of deliverance do you
generally look for?

What kind of deliverance do you
need?

Philippians: Companions in Grace

Going Deeper—Living it Out

Paul says two things will
help him to come through
his situation with a clean
heart and hands. What
impact do our prayers for
each other have? How?

Describe the help that the
spirit of Jesus Christ could
bring in our struggles.

With these things in mind,
how will you now
determine to face your
struggles? What difference
might that make?

MEMORIZE THIS!
because I know how it's
going to turn out.
Through your faithful
prayers and the
generous response of
the Spirit of Jesus
Christ, everything he
wants to do in and
through me will be
done
